Once seated at your table we request you do not mingle within the dining room with other seated guests. We graciously ask that you respect our every effort to operate a safe and compliant dining experience for all.

CLEANING & DISINFECTING

As we all enter this next stage; comingling with others again, you will notice routine and robust cleaning and disinfectant measures in place to keep everyone safe. All dining room napery will be crisp and freshly laundered for each table and guest. All tables and chairs will be cleaned and disinfected between uses.

MASK USE

You will notice an addition to our team members uniforms, **masks**. As we welcome you back to The Rocks and Grand View dining rooms, each of our team members will be wearing a mask, this is for their safety and yours. We ask that you reciprocate this gesture and wear a mask while visiting the resort and dining rooms, *only removing while enjoying a beverage or eating your meal at your table.*
